## *Enrollment Form*

Our organization/company is making the commitment to address HIV/AIDS in women by choosing to become a partner with The COSHAR Foundation and other organizations with a shared commitment. We gladly enroll as a partner in the "Get It Done" campaign to increase HIV/AIDS Awareness, Testing and Treatment in Women. We stand ready to share information about our current programs, receive information and to partner where feasible with others that share our goals. Further, we are ready to help develop a national agenda with a focus on HIV/AIDS elimination at the local, regional and national level.
